Re: Ordinance 87-14 - AUTHORIZING THE CITY MANAGER TO EXECUTE NECESSARY CONVEYANCE DOCUMENTATION TO ACQUIRE 1.5 ACRES, MORE OR LESS, FEE SIMPLE INTEREST FROM JUDITH R. MARGAROLI (FKA-WILSON) AND ENRICO MARGAROLI.

BACKGROUND

As you will recall, the City purchased property from John H. Kilbury late last year to establish additional riverfront parkland, consistent with the City's plans for additional riverfront parkland. Judith R. Margaroli (FKA-Wilson) and Enrico Margaroli (the "Grantors") own the property just north of Mr. Kilbury's former property. The Grantors' property includes approximately 1.5 acres and a single-family dwelling, and is located at 6716 Dublin Road, identified as Franklin County Parcel No. 270-000271. It currently lies within the unincorporated "island" of properties located along the east side of Dublin Road in this area.

Previous goals of City Council and recent Bridge Street District River Corridor Planning efforts have reinforced the need and desirability of the City to provide additional public park space along the Scioto River. This site provides another opportunity to advance the vision for a substantial river park along both sides of the Scioto River in this area. This site is directly opposite the approximately 12 acres of land the City acquired in 2012 on the east side of the Scioto River. Recent surveys of City residents have clearly established river fronting park land as among our community's highest park priorities.

In addition to its Scioto River frontage, the site also possesses high quality scenic character and accessible land areas. Additionally, the house located on the site is within the 100-year floodway, and as such (if privately owned and occupied) its location would trigger future mitigation measures as a result of any river corridor improvements (such as bridges) that would result in any raising of the regulatory flood water levels. The acquisition of this site eliminates that obligation, and the future expenses associated therewith.

The Administration has had an appraisal performed on the subject property, and, although it is uncertain what level of sale price reduction might occur as a result of the home's location within the regulatory floodway, the appraisal value supports the price for the property. The Grantors have agreed to sell the site for \$850,000, with continued occupancy rights beyond closing.

This Ordinance authorizes the City Manager to enter into a purchase agreement for Eight Hundred Fifty Thousand Dollars (\$850,000) and a two (2) year lease agreement with the Grantors.

RECOMMENDATION

Staff recommends approval of Ordinance No. 87-14 at the second reading/public hearing at the September 8, 2014 Council meeting.

NOW, THEREFORE, in consideration of the mutual promises, agreements, and covenants herein contained, the Parties agree as follows:

Provisions

1. Price and Consideration

Purchaser shall pay to Sellers the sum of Eight Hundred Fifty Thousand Dollars (\$850,000) which sum shall constitute the entire amount of compensation due Sellers for: (a) the Property and (b) Sellers' covenants set forth herein.

2. Real Estate Taxes and Assessments.

Seller shall pay or credit against the purchase price all delinquent real estate taxes, together with penalties and interest thereon, all assessments which are a lien against the Property as of the Closing Date (both current and reassessed, whether due or to become due and not yet payable), all real estate taxes for years prior to closing, real estate taxes for the year of Closing, and per a separate lease agreement entered into by the Parties, a copy of which is attached hereto and incorporated herein as Exhibit B, where the Purchaser agrees to lease back the Property to

the Sellers for a period of twenty four (24) months. Purchaser shall receive a credit for the term of the lease at closing on the Property for the real estate taxes on the Property improvements, which equals Seventy-Three percent (73%) of the current tax value estimated at the current tax rate prorated through the Lease Termination Date. The City shall be responsible for all taxes on the land which equals Twenty Seven percent (27%) of the current tax value. The proration of undetermined taxes shall be based upon a three hundred sixty-five (365) day year and on the last available tax rate, giving due regard to applicable exemptions, recently voted millage, change in tax rate or valuation (as a result of this transaction or otherwise), etc., whether or not the same have been certified. It is the intention of the Parties in making this tax proration to give Purchaser a credit as close in amount as possible to the amount which Purchaser will be required to remit to the County Treasurer for the period of time preceding the Lease Termination Date. Upon making the proration provided for herein, Seller and Purchaser agree that the amount so computed shall be subject to later adjustment should the amount credited at Closing be incorrect based upon actual tax bills received by Purchaser after Closing. Seller warrants and represents that all assessments now a lien are shown on the County Treasurer's records and that to the best of Seller's knowledge, no improvement, site or area, has been installed by any public authority, the cost of which is to be assessed against the Property in the future. Seller further warrants and represents that neither Seller nor any of its agents, employees or representatives have received notice, oral or written, or have knowledge of any proposed improvement, any part of the cost of which would or might be assessed against the Property. The covenants and agreements set forth in this Agreement shall not be cancelled by performance under this Agreement, but shall survive the Closing and the delivery of the deed of conveyance hereunder;

3. Deed to Transfer

Sellers, upon fulfillment of all the obligations and terms of this Agreement, shall sell and convey to Purchaser, its successors and assigns, the property which is more particularly described in Exhibit A. If the rights, titles and estates described in Exhibit A constitute the fee simple in, to and of the real property, then such sale and conveyance by Sellers shall be by a good and sufficient general warranty deed with, if applicable, full release of dower. In the event the rights, titles, and estates described in Exhibit A constitute something less than the fee simple of the real property, then such sale and conveyance by Sellers shall be by a good and sufficient deed or other instrument regularly and ordinarily used to transfer such lesser rights, titles and estates with, if applicable, full release of dower.

4. Supplemental Instruments

Sellers agree to execute any and all supplemental instruments or documents necessary to vest Purchaser with the rights, titles and interests described in Exhibit A.

5. Warranty of Title

Sellers shall, and hereby do, warrant that the property described in Exhibit A is free and clear from all liens and encumbrances whatsoever, except: (a) easements, restrictions, conditions and covenants of record; (b) all legal highways; (c) zoning and building laws, ordinances, rules and regulations; and (d) any and all taxes and assessments not yet due and payable.

6. Elimination of Others' Interests

Sellers shall assist, in whatever manner reasonably possible under the circumstances, to procure and deliver to Purchaser releases and cancellations of any and all other rights, titles and interests in the property described in Exhibit A, such as, but not limited to, those belonging to tenants, lessees, mortgagees or others now in possession or otherwise occupying the subject premises, and all assessment claims against said property.

Sellers and Purchaser agree that if a mortgagee of Sellers or of a predecessor in title fails to cooperate with the efforts to obtain a release of that mortgagee's mortgage lien secured by the property described in Exhibit A, then and in that event this Agreement shall become null and void and the parties to this Agreement shall be discharged and released from any and all obligations created by this Agreement; for the purposes of this provision, the term "fails to cooperate" shall include a demand or request by any such mortgagee for a fee to process such a release of that mortgagee's mortgage lien that Purchaser, in its sole discretion, deems to be excessive. Sellers shall cooperate with all pre-acquisition due diligence by the Purchaser.

7. Offer to Sell

If Purchaser executes this Agreement prior to Sellers, then this Agreement shall constitute and be an offer to purchase by Purchaser that shall remain open for acceptance by Sellers for a period of seven (7) days immediately subsequent to the date on which Purchaser delivers such executed Agreement to Sellers. Upon Sellers' acceptance and execution of this Agreement within said period of seven (7) days, this Agreement shall constitute and be a valid Contract for Sale and Purchase of Real Property that is binding upon the Parties. This section is still subject to the contingencies in paragraph 8 herein.

8. Closing Date

The consummation and closing of this Agreement shall occur at such time and place as the Parties may agree, but no later than thirty (30) days after Sellers notify Purchaser in writing that Sellers are ready to consummate and close this Agreement. Provided, however, in no event shall such consummation and closing occur more than Seventy Five (75) days after the last date on which one of the Parties executes this Agreement.

9. Condition Precedent to City's Obligation to Close; City Council Approval

Purchaser's obligation to consummate the transaction contemplated by this Agreement is subject to, and contingent upon Purchaser obtaining the approval of its City Council. If Purchaser has not obtained such City Council approval by such time as is required to consummate this Agreement, this Agreement shall automatically terminate, and neither party shall thereafter have any further rights, duties, or obligations hereunder.

10. Physical Possession of Land and Improvements

Sellers may occupy the property for up to two year from date of closing. The Parties shall enter into a separate lease agreement reflecting all the terms and conditions for the period of occupancy a copy of which is attached hereto and incorporated herein as Exhibit "B".

11. Control of Property Occupied by Sellers

Control of property occupied by Sellers shall be retained by Purchaser on the date Purchaser tenders the purchase price to Sellers. From that date forward, Purchaser shall retain full access rights to any portion of the property for whatever purpose.

12. Binding Agreement

Any and all of the terms, conditions, and provisions of this Agreement shall be binding upon and shall inure to the benefit of Sellers and Purchaser and their respective heirs, executors, administrators, successors and assigns.

13. Multiple Originals

This Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which together shall constitute but one and the same instrument.

14. Entire Agreement

This instrument contains the entire agreement between the Parties, and it is expressly understood and agreed that no promises, provisions, terms, warranties, conditions or obligations whatsoever, either expressed or implied, other than herein set forth, shall be binding upon either Sellers or Purchaser.

15. Amendments and Modifications

No amendment or modification of this Agreement shall be valid or binding upon the Parties unless it is made in writing, cites this Agreement and is signed by Sellers and Purchaser.

16. Governing Law

This Agreement shall be governed by the laws of the State of Ohio, and the venue for any claim relating to said Agreement shall be an applicable Court in Franklin County, Ohio.

MARGAROLI AND ENRICO MARGAROLI, ("Tenants"), whose address is 6716 Dublin Road, Dublin, Ohio 43017.

WITNESSETH:

WHEREAS, pursuant to a certain Real Estate Purchase Agreement dated _____, 2014 ("Purchase Agreement"), Landlord purchased from Tenants the real property and improvements thereon legally described on Exhibit "A", attached hereto and made a part hereof (the "Property");

WHEREAS, upon the closing of the sale and purchase of the Property, Landlord has agreed to lease back to the Tenants the Residential Home on the Property (the "Premises"); and

WHEREAS, Landlord and Tenants desire to execute this Lease to define the rights and obligations of each party with respect to such lease term, as herein set forth.

NOW, THEREFORE, for valuable consideration, the amount and sufficiency of which are hereby acknowledged, Landlord and Tenants agree as follows:

1. **PROPERTY**. Landlord hereby leases to Tenants rent free, and Tenants hereby lease from Landlord, rent free, the exclusive right to the Premises and nonexclusive right to the remaining Property. This lease shall be considered for the purposes of consideration as part of a sale of the Property by Tenants to the Landlord.

2. **DEFINED PROPERTIES AND USE**. Tenants shall continue in possession of the Tenants' Property on the Closing Date, as defined in the Purchase Agreement, in its "as is" condition. Tenants shall be permitted to use the Tenants Property only for residential purposes. Tenants shall not sublet or assign the Tenants' Property or any part thereof, without the prior written consent of Landlord.

Landlord shall have all ownership, control, and access rights to the remainder of the Property, excluding the Premises following the Closing Date. Landlord rights include, but are not limited to, the right to enter upon the Property for the purpose of making surveys, soundings, drillings, appraisals, and examinations as are necessary, in the sole discretion of the Landlord. Tenants may use the Landlord's Property so long as it does not interfere with the Landlord's ownership, control, or rights. Landlord shall have access rights to the Property through the Tenants' Property's current ingress and egress point. The Parties shall not in any way unreasonable block the access points to the Property so as to prevent the other access to their respective property.

4. EARLY TERMINATION RIGHTS. Tenants shall have the right at any time during the Term to terminate this Lease by providing written notice of the election to terminate to Landlord (the "Termination Notice"). This Lease will terminate on the Thirtieth (30th) day after the date on which the Termination Notice is received by Landlord and both parties shall be released from any and all liabilities under this Lease accruing after such termination.

5. REAL ESTATE TAXES. Tenants shall be responsible for the payment of the real estate taxes and assessments charged against the Property Improvements up until the last day of the Tenants occupying the Property and such estimated sum shall be credited to the Landlord at the closing at the Property's current tax rate for improvements as outlined by the Franklin County Auditor. Upon making the proration provided for in the Real Estate Purchase Agreement, Seller and Buyer agree that the amount so computed shall be subject to later adjustment should the amount credited at Closing be incorrect based upon actual tax bills received by Purchaser after Closing. For example, the Property is taxed a total of Twelve Thousand Seven Hundred Thirty Seven Dollars and Eighty-Two Cents (\$12,737.82). Seventy-Five (75%) percent or Nine Thousand Five Hundred Fifty Three Dollars and Thirty Seven Cents (\$9,553.37) of this amount is attributed to "Improvements" per year. Based on the foregoing, the Purchaser shall receive a credit of Nineteen Thousand One Hundred Six Dollars and Seventy Three Cents (\$19,106.73), subject to later adjustments as outlined herein.

The proration of undetermined taxes shall be based upon a three hundred sixty-five (365) day year and on the last available tax rate, giving due regard to applicable exemptions, recently voted millage, change in tax rate or valuation (as a result of the real estate purchase or otherwise), whether or not the same have been certified.
